ARTICLE I

RECOGNITION

The Town hereby recognizes the Union as the exclusive collective bargaining agent for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment, for the unit consisting of all regular full-time, permanent investigating and uniformed members of the Clinton Police Department having the authority to exercise police powers (exclusive of the Majors, and the Chief), hereinafter referred to as "employees" or "employee." The Town and the Union agree not to discriminate against

employees covered by this Agreement on account of membership or non-membership in the Union.

ARTICLE II
UNION SECURITY/DUES DEDUCTION

Section 1. As a condition of employment (i) all present employees who are members of the Union upon the effective date of this Agreement shall remain members for the duration of this Agreement or pay an agency fee and (ii) all employees who are not members shall within thirty-one (31) days after the effective date of this Agreement become members of the Union and remain members for the duration of this Agreement, or pay an agency fee.

Section 2. All employees hired hereafter, as a condition of employment shall become members of the Union on or before their thirty-first (31st) day of employment, and remain members for the duration of this Agreement or pay an agency fee.

Section 3. The Town agrees to deduct from the salary of all employees covered herein, who authorize in writing such deductions from their salary, such dues and initiation fees as may be fixed and certified to the Town by the Union and allowed by law. The Town will remit to the Union on or before the last day of the month in which such deductions are made, the aggregate of amounts collected, together with a list of employees from whose salary such sums have been deducted. Such dues deductions shall continue for the duration of this Agreement and any extension thereof. The Union agrees that it will save the Town harmless from any claim for damages by reason of carrying out the provisions of this Agreement concerning the deduction from salary of such dues and fees, as hereinbefore mentioned.

Section 4. These deductions will be made on the pay day of each week as specified by the Town and agreed to by the Union.

Section 5. In the event an employee receives no pay on the pay day on which Union dues are deducted, no deduction shall be made for that week.

ARTICLE III
COPIES OF CONTRACT

The Town shall give to each present employee, and to each new employee when hired, a copy of this Contract.

ARTICLE IV

New Year's Day	Independence Day
Martin Luther King Day	Labor Day
Presidents Day	Memorial Day
Veteran's Day	Easter Sunday

Section 2. An employee who is required to work on a holiday listed in Section 1 shall be compensated as follows. If the holiday falls on the employee's regularly scheduled work day, the employee shall be paid time and one-half for hours worked on the holiday, rather than straight time, in addition to holiday pay under Section 3. If the holiday falls on the employee's time off, the employee shall be paid double time for hours worked on the holiday, in addition to holiday pay under Section 3.

Section 3. Employees whether they have worked any holiday(s) or not shall be paid in two (2) lump sums for the holidays listed above. ARTICLE V

SENIORITY

Section 1. Seniority shall commence on the day that the employee begins work as a paid regular, full-time employee of the Department, except as provided in Section 3 below.

Section 2. An employee's seniority shall be broken, and the employee shall forfeit all rights and benefits under this Agreement if the employee:

- a. voluntarily resigns and quits;
- b. is discharged;
- c. takes a leave of absence for the purpose of working at another occupation;
- d. takes a leave of absence for more than ninety (90) days, unless the leave is for military service or educational programs approved by the Town.

Section 3. No employee shall attain seniority rights under this Agreement until the employee has been continuously employed by the Town as a full-time member of the Department for a period of one (1) year following completion of the minimum basic training pursuant to Section 7-294e of the General Statutes of Connecticut. During such period, the employee shall be on probation and may be discharged by the Town for any reason whatsoever. In such event, neither the Union nor the employee shall have recourse to the grievance and arbitration provisions of this Agreement. Upon completion of an employee's probationary period, seniority shall date back to the date of original employment with the Town.

Section 4. Rank seniority is the total length of continuous service of an employee as a permanent appointee in a given rank. The ranks for which rank seniority is attained are Patrol Officer, Corporal, and Sergeant.

Section 5. Seniority shall prevail with regard to layoff. Rank seniority shall prevail with regard to vacation scheduling. (For example, if more than one Sergeant requests the same vacation time, the employee who has been in the rank of Sergeant longer shall have

preference.) Rank seniority shall prevail for the purpose of bidding shifts under Article VI, Section 1. Superiority within rank shall be by rank seniority; provided, however, that this shall not preclude the Chief from designating the officer in charge of a shift or situation.

Section 6. Seniority shall be given first preference as stated herein and shall be the process used for the following assignments:

Extra Details - i.e., functions which normally fall under the realm of the police department.

Private Police Duty - i.e., functions which are paid by a third party as referred to in Article VIII, Section 8.

Posted Open Shifts - i.e., all shifts open due to vacation, illness, court days, etc., and all other openings as referred to in Article VIII, Section 12.

Section 7. Special Assignments - i.e., stakeouts, special criminal investigations and internal departmental investigations, which remain at the discretion of the Chief of Police, or his designee, are not subject to the seniority process.

ARTICLE VI HOURS OF WORK

Section 1. Patrol Schedules.

a. Each employee who has completed the probationary period and has been assigned to the patrol division shall bid for his or her schedule for shift hours and starting days off. For a trial period of one year, employees shall bid a 24 week schedule. After the one year, the Chief can revert back to (12) twelve week cycles for bidding purposes if for any reason he deems the six month bid process does not fit the needs of the department.

b. The Chief shall determine the number of positions available on each shift and the days off for each position. The Chief shall post one schedule for Sergeants, one schedule for Corporals and one schedule for all other employees assigned to the patrol division, at least seventy (70) days before the beginning of the schedule. The schedule shall be 2300-0700 midnight shift, 0700-1500 day shift and 1500-2300 evening shift.

c. Within fourteen (14) days of the posting date, each Sergeant, each Corporal and each other employee shall designate, in order of rank seniority, his or her choice of shift and starting days off for the 24 week bid cycle.

d. Employees shall rotate in reverse through the sets of days off for the bid cycle. The available sets of days off shall be as follows: Sunday-Monday; Friday-Saturday; And the Chief prior to the bid shall choose either the Tuesday – Wednesday or Wednesday-Thursday as the third option.

e. Each employee's shifts and days off shall remain unchanged for the twenty four (24) week period except:

- (1) by agreement between the Chief and the employee;
- (2) as necessary to meet the reasonable needs of the Town as determined by the Chief; or
- (3) as needed to replace an employee on any extended absence (one which is expected to or does last fourteen (14) days or more), other than a vacation, in which case the position will be offered to employees in order of rank seniority and, if not filled voluntarily, will be filled involuntarily in inverse order of rank seniority.

f. The Chief may assign probationary employees to any shift with any days off for periods of at least two (2) weeks at a time. The scheduled days off and the rotation of these days off may vary from those stated above in Section (d) above. These assignments may be changed at any time by agreement between the Chief and the employee, or changed by the Chief with at least seven (7) days notice to probationary employees.

At all times when there are no probationary employees, one Patrol Officer shall be designated a “floater.” The Chief shall designate the floater for a period of twelve (12) weeks at a time, and shall rotate this designation among Patrol Officers for forty eight (48 weeks) starting with the least senior officer. The Chief may assign a floater to any

shift with any days off for periods of at least two (2) weeks. The assignment may be changed at any time by agreement between the Chief and the employee, or changed by the Chief with at least seven (7) days notice to the employee.

Section 2. There shall be no straight time pay in violation of federal law.

Section 3. For informational purposes only, the Detectives' work schedule shall be posted in their office and at the desk. It is understood that Detectives work flexible hours, subject to the direction of the Chief. The work schedule for Detectives shall continue to be determined by the Chief.

Section 4. The Canine Officer may be assigned to a tactical schedule of five (5) days on and two (2) consecutive days off. This schedule must be posted for a twelve (12) week period at least two (2) weeks before taking effect and follow the rotation set forth in Article VI, Section 1. The hours of work may be adjusted to meet the reasonable needs of the Department as determined by the Chief, with notice to the Canine Officer at least forty-eight (48) hours before the change takes effect. Any change in hours must be for a minimum of five (5) consecutive days. The forty-eight (48) hours notice and/or the five-day minimum may be waived by mutual agreement of the Chief and the Canine Officer. The shift in which the majority of the Canine Officer's work hours fall shall be considered his primary shift and shall not affect the scheduled staffing of the subsequent shift.

Section 5. Compensatory Time: The Police Department shall continue to grant compensatory time in lieu of overtime pay for non-emergency assignments such as but not necessarily limited to attendance at training sessions, the DARE program, the SRO program, dive team practice and work on the police boat. No employee may accumulate more than one hundred (100) hours of compensatory time. Use of compensatory time may be requested and granted in accordance with the following:

a. If use of compensatory time is requested more than 48 hours in advance, any approval to take it will be conditional and may be withdrawn if another officer takes

vacation, personal leave or sick leave and the officer who requested compensatory time is needed to prevent overtime costs.

b. If compensatory time is requested within 48 hours of the time it would be taken, it shall be denied if granting it would result in overtime cost to the Department. Once approved within the 48 hours, however, the approval will not be withdrawn.

c. If there are more requests for compensatory time than can be granted within the above guidelines, preference shall be based on rank seniority if the officers are in the same rank and on seniority if the officers are in different ranks.

An officer shall be paid for unused compensatory time upon termination of his/her employment.

The probationary period as set forth in Article V, Section 3, applies only to newly hired Patrol Officers and does not apply to promotions.

Advancements in salary grade or promotions may be denied based on an employee's unsatisfactory performance. The evaluation will be discussed with the employee being evaluated. The evaluation will be done at a time reasonably related to the time when the employee is to change grade. Where a salary grade advancement is denied based on unsatisfactory performance, the employee's performance will be reviewed within six (6) months for a potential grade advancement if warranted.

There shall be a promotional examination given for the rank of Sergeant, which shall be scored as follows:

- 40% of total scoring based on a written examination
- 50% of total scoring based on Professional Oral Review Board
- 10% of total scoring based on Police Commission Oral Review Board

Promotional lists for the rank of Sergeant shall be valid for one (1) year after the completion of the examination process, except that the current list shall remain in effect as posted for two years from origination. Candidates for the rank of Corporal will be required to pass the written portion of the Sergeant's examination to be eligible for appointment to the rank of Corporal. However, a promotional list will not be created for the rank of Corporal. The Chief of Police or his designee shall have the discretion to appoint any eligible candidate to the rank of Corporal regardless of the candidate's actual score on the Sergeant's examination.

There shall be a promotional probationary period of six (6) months. Completion of the promotional probationary period shall require a determination of satisfactory performance at the new rank, in the discretion of the Board of Police Commissioners. An officer who fails to complete a promotional probationary period shall be returned to his/her former rank and salary.

Section 5. Any employee who works for eight (8) hours or any part thereof in a higher classification shall be paid at the minimum rate of the classification to which he or she is assigned.

Section 6. Employees shall receive full pay for all compulsory training when off duty, with a minimum of two (2) hours.

Section 10. An employee who is overpaid by the Town shall have the duty to report such overpayment to the Finance Director of the Town promptly upon his/her discovery of such overpayment. Any overpayment to an employee shall be repaid to the Town as follows:

a. If an overpayment was made in one or two checks, the Town shall deduct the full amount of the overpayment from the biweekly paycheck immediately following the time the overpayment is discovered. Written notice of the overpayment amount and the deduction shall be provided to the employee by the Town, at least seven (7) days in advance.

c. If an employee is leaving employment for any reason, the balance of any overpayment due shall be deducted from his/her final payments. If those final payments are insufficient to cover the repayment due, the employee shall make a direct payment to the Town for the balance prior to separation.

ARTICLE VIII OVERTIME

Section 1. Overtime shall be paid for all assigned, authorized or approved service performed over and above an employee's regular tour of duty of five (5) days per week of

eight (8) hours per day, including service performed on an employee's scheduled day off, or during the employee's vacation, or prior to the scheduled starting time for the employee's regular tour of duty and service, except as provided in Section 14. Overtime shall be calculated in thirty minute increments.

Section 2. Overtime shall be paid at time and one-half (1 1/2) of the applicable hourly rate for all work performed in excess of eight (8) hours in any one day or when an employee works on his scheduled day off. If a Sergeant or a Corporal is assigned to work a Patrol Officer's shift, the Sergeant or Corporal shall be paid time and one-half the regular rate of pay for Corporal Grade 1 and may be assigned to Corporal duties by the Chief. If regular members refuse open-bid shifts, supernumeraries may be used.

Section 3. Employees hereunder shall not be required to suspend work during their regular tour of duty to avoid overtime.

Section 4. Overtime rates shall be paid for not less than two (2) hours to any employee recalled to work for any duty not continuous with his regular work day. Recall occurs when an employee is recalled after he has left work on his or her regular work shift or tour of duty, or is recalled on a scheduled time off or during vacation. An officer who is recalled to duty shall only be required to stay until said recall situation is secure. The officer shall have the option to remain and work for four (4) hours, rather than the two (2) hour minimum.

Section 5. Whenever reasonable, all employees shall be given at least two (2) hours advance notice of overtime work opportunities. Scheduled overtime shall be posted for all employees in the bargaining unit on a fair and equal basis. Employees shall have the option of declining voluntary overtime except in case of emergency, and there shall be no discrimination against any employee who declines overtime work.

Section 6. Employees shall not be required to accept compensatory time in lieu of overtime compensation.

Section 7. Regularly scheduled work shifts or tours of duty and day off schedules of individual employees or groups of employees will not be changed, altered or modified for the purpose of avoiding the payment of overtime.

Section 8. Private Police Duty. The term "private police duty" shall mean police duty for which the Town is reimbursed for such police service by a third party. The term "outside duty" shall mean special police duty outside of regular shift responsibilities that is charged to a Town or Board of Education account, such as providing coverage for sporting events or parades. Either private police duty or outside duty is performed by employees on time over and above their regular work week and is not, under any circumstances, to be considered overtime for payment of overtime rate of pay. Private police duty will be paid at the rate of one and one-half (1 1/2) times the Sergeant Grade 1 straight time hourly rate with a minimum of four (4) hours. The Town shall be responsible for the billing and payment for all private police duty work. Outside duty shall be paid at the rate of one and one-half (1 1/2) times the Patrol Officer Grade 1 straight time hourly rate with a two (2) hour minimum payment. For any outside duty paid in full or part through a grant, employee shall receive one and one half (1 1/2) times the Corporal Grade 1 straight time hourly rate with a four (4) hour minimum. There shall be a four hour minimum cancellation policy for all private duty jobs, and a two hour cancellation policy on all outside duty jobs.

When the primary function of the outside or private job is to direct traffic, the job shall be posted. Other private police duty or outside duty may be posted in the discretion of the First Selectman or his/her designee.

Section 9. Priority for all overtime and private police duty jobs shall be granted first to regular employees, and only when no regular officer is available or willing to work shall supernumeraries be used.

Section 10. Qualified regular employees shall be given priority in making assignments to the boat detail. If qualified regular employees are not available, supernumeraries may be used. An employee shall be considered qualified if he has successfully completed the course

requirements set forth by the U.S. Coast Guard Auxiliary and has been deemed qualified by the Chief or his or her designee.

Section 11. The circumstances under which an officer may work a sixteen (16) hour shift are as follows:

- a. In time of emergency;
- b. On 0700-1500 hours may continue to 1500-2300 hours
- c. On 1500-2300 hours may continue to 2300-0700 hours
- d. On 2300-0700 hours may continue to 0700-1500 hours

Except in cases of emergency designated by the Chief or his/her designee, there shall be an eight (8) hour period of rest immediately preceding and following such sixteen (16) hour duty.

An employee who works sixteen (16) hours and then does not report for (books off) his or her next regularly scheduled shift within the following twenty-four (24) hours shall forfeit the one-half time premium for the preceding overtime shift and be paid only at straight time. An exception shall be allowed by the Chief if the employee's absence is due to a house fire or to a disabling injury or illness that requires immediate documented treatment by a physician or emergency room or at the Chief's discretion.

Section 12.

a. Whenever an officer is unable to report for his or her assigned shift due to illness or an unforeseen circumstance, the duty supervisor shall initiate the following procedure:

1. Determine if the opening is for a Shift Commander or Patrolman. If the assignment requires a Shift Commander it will be offered only to Sergeants and Corporals. If a Shift Commander is already scheduled, the assignment will be filled as a patrolman and offered to all employees.

Section 13. There will be circumstances whereby these steps may not be feasible, such as an officer booking off sick approximately fifteen (15) minutes prior to his scheduled tour of duty, or an officer sick or injured on duty. In such cases, the above steps may be waived at the direction of the duty supervisor, in order to maintain coverage.

Section 14. Overtime Posted

Section 3. Uniforms damaged in the line of duty will be replaced by the Town at no charge to the employee, or with no deduction from the clothing allowance, upon recommendation of the Chief. Personal property used in the line of duty will be replaced by the Town on the same basis in an amount up to, but not to exceed two hundred (\$200.00) dollars, with a limit of fifty (\$50.00) dollars for any single item of jewelry. The Chief's decision concerning replacement shall be subject to the grievance procedure, but not the arbitration procedure of this Agreement.

Section 4. The Town will not be responsible for the cost of replacement or repair of uniforms, or for payment toward personal property, if such damage, as determined by the Chief of Police, is attributable to negligence of the employee. The Chief's decision concerning

replacement shall be subject to the grievance procedure, but not the arbitration procedure of this Agreement.

Section 5. The Town will purchase bullet proof vests of the Department's choice with the approval of the Board of Police Commissioners, for any officers wishing to wear them. Officers receiving a bullet proof vest are mandated to wear said vest while on patrol duty. Officers assigned to the Detective Division shall keep vests readily available at all times. Replacement after five (5) years by the Town shall not exceed six (6) vests in one given year, unless special approval is given by the Board of Police Commissioners. All new employees hired after January 1, 2012 shall wear the bullet proof vest as provided by the Town of Clinton while on patrol duty.

Section 1. Amount of Vacation.

The vacation plan shall be as follows:

Eighteen (18) years anniversary	Twenty-four (24) working days
Nineteen (19) years anniversary and beyond	Twenty-five (25) working days

When an officer reaches a year of service that would entitle him or her to increased vacation time, then the officer shall receive the incremental increase as follows: if the Officer's anniversary date falls between July 1 and December 31, then the officer receives the incremental increase on July 1 of that same year; if the officer's anniversary date falls between January 1 and June 30, then the officer receives the incremental increase on January 1 of that same year. Thereafter, all vacation shall be accrued on July 1 until the officer reaches the years of service for another increase in vacation.

Section 2. Vacation choice shall be by rank seniority*, with each eligible employee entitled to take vacation (if practical and upon the Chief's discretion), subject to a limitation of two (2) Patrol Officers, one (1) Sergeant and one (1) Corporal on vacation at any one time, except that the Chief may permit two (2) Sergeants or two (2) Corporals or one (1) of each to be off on vacation for up to two (2) days in a work week. *Note: If the choice of vacation is between a Sergeant and a Corporal, seniority, rather than rank seniority, shall prevail.

Section 3. Employees must request, any leave (whether vacation or other leave) of five consecutive scheduled work days or more at least 60 days in advance of such vacation or other leave. Any remaining vacation days may, at the employee's option, be taken a day at a time upon three (3) days advance notice and with the approval of the Chief.

Section 4. Vacation pay may, at the employee's option, be paid in advance upon ten (10) days advance notice, in writing, to the Chief.

Section 5. In the event an employee, for a particular purpose, such as a trip which would not otherwise be possible, has a need to carry forward vacation time into the next year, such employee may make a written request to the Chief of Police, stating the reason and the specific time for such vacation. The approval of such request shall be at the sole discretion of the Chief of Police.

Section 6. An employee may be paid his or her regular straight time pay for up to five (5) accrued, unused vacation days at the end of each fiscal year.

Section 7. An employee who voluntarily resigns or who retires during the fiscal year shall be paid the unused vacation to which he was entitled for the year in accordance with Section 1.

Section 8. Employee's vacation time shall now be accrued on the fiscal year after their anniversary beginning July 1st of each year. This change will be implemented over time and employee's vacation time shall be calculated so that no time shall be lost.

ARTICLE XII

SICK LEAVE

Section 1. All employees hired prior to February 6, 2007 shall be entitled to sick leave accumulated at the rate of one and one-fourth (1 ¼) days per month for each month of service. An employee hired on or after February 6, 2007 shall be credited with six (6) days of sick leave at the commencement of employment for the first year of such employment. Commencing at the start of the second year of employment, such employee shall accrue sick

leave at the rate of one (1) day per month for each month of service. Sick leave may be accumulated to a maximum of one hundred and seventy (170) days. Such leave is to be used only during illness or non-service connected injury.

Section 2. Fifty percent (50%) of the amount of unused accumulated sick leave, to a maximum of seventy (70) days, will be converted into cash and remitted, subject to tax deductions, to the employee or his estate under the following circumstances:

- a. in the event of death of the employee before separation of service;
- b. in the event an employee applies for and is approved for retirement.

Section 3. Employees who do not use any sick leave for the 24 week bid cycle and have not been suspended for disciplinary reasons during that time, will be entitled to one extra vacation day. On-the-job injuries that result in absences of less than one (1) week will not be counted against the employee for the purposes of this Section.

Section 4. Employees who have been out on personal sick time for periods of three or more scheduled work days may be required to provide a medical note stating the employee was unable to work. For the purposes of personal sick time use, the employee shall not be required to provide a note stating the specifics of any illness or injury. This section does not negate the rights of employees or the department under FMLA.

ARTICLE XIII

WORKERS' COMPENSATION

Section 1. An employee who suffers an illness or injury for which he claims workers' compensation shall be eligible for such benefits as are set forth in the Workers' Compensation Act. While such employee is receiving workers' compensation benefits, the employee shall not be charged sick or other paid leave time.

Section 2. An employee who suffers an illness or injury for which he claims workers' compensation shall have absences charged to injury leave until the first of the following occurs:

a. he has reached maximum medical improvement and is no longer able to perform his duties;

b. twelve (12) calendar months have passed, provided that the twelve (12) months shall be extended by up to six (6) months if the treating physician certifies that it is likely that the employee will be able to return to work during that period. If the employee is unable to return to work at the end of the eighteen (18) months, the employee's employment will end unless the employee can produce a medical certification from the treating physician that the employee will be able to return within the next six (6) months. The Town has the ability to verify this certification through an independent medical examination. If the employee produces this certification, the Town will continue his or her employment for up to six (6) months, but the employee will not receive injury leave during this additional six (6) month period. If the employee can not return to full duty within this additional six (6) month period, then his or her employment will end.

If the employee is unable to engage in any gainful employment in the service of the Police Department as a Police Officer, the Town will not oppose the employee's application to the Pension Committee for a disability retirement under the Police Pension Plan.

An employee who is on injury leave shall receive the difference between the weekly benefits provided by the Workers' Compensation Act and the amount of his salary at the time of injury as set forth in Article VII, Section 1 of this Agreement. The amount of the workers' compensation benefit shall be included in the employee's payroll check and recorded as a separate line item as workers' compensation benefits are not subject to federal, state, FICA, or Medicare withholding.

Section 3. Eligibility for the benefits of this Article shall be limited to those cases in which the employee's injury or illness is compensable under the Workers' Compensation Act.

The employee and the Union expressly agree that the charging of an absence to injury leave shall not in any way be deemed an acceptance of the employee's claim for benefits under the Workers' Compensation Act and the charging of the absence to injury leave is entirely without prejudice to the Town's position concerning such claim.

In the event that the Town successfully contests the claim, the employee shall be responsible to repay the Town for the number of days of injury leave used prior to the ceasing of injury leave based on contest of the claim. Such repayment shall be taken first from the employee's accumulated sick leave and if no sick leave is available, from the employee's accrued vacation time. If the employee has no accrued leave, the Town shall deduct payment for the time from any future payments to which the employee is entitled, whether as an active employee or a retiree. These repayment provisions may be waived, in the sole discretion of the Police Commission and the Town, without prejudice to the Town's position on the workers' compensation claim.

ARTICLE XIV

Section 3. Change of Carriers. The Town may obtain medical benefit coverage substantially equivalent to or better than that listed in Section 1 above from alternative insurance carriers, including those with preferred provider networks, or through a health maintenance organization, or through self-insurance, so long as there is no interruption in coverage.

If the Town proposes a change, it shall give written notice of the change(s) to the Union. The Union may challenge any proposed change in insurance carriers/administrators on the basis that the coverage to be provided is not substantially equivalent to or better than the existing coverage. The Union's challenge must be filed in writing within sixty (60) calendar

days from notice of the proposed change, and must specify the areas in which the Union claims that the proposed plan is not substantially equivalent to the current one. The Town and the Union shall meet to discuss the Union's concerns, which discussions shall be concluded no later than thirty (30) calendar days following receipt of the Union's notice of challenge. If a dispute remains, it shall be submitted to expedited arbitration before an arbitrator selected through the State Board of Mediation and Arbitration or, if the Town so elects, the American Arbitration Association. Section 3. If any Article or Section of this Agreement is declared invalid by a court of competent jurisdiction, said invalidity shall not affect the balance of this Agreement.

Section 4. There shall be no discrimination, coercion or intimidation of any kind against any employee because of his membership or non-membership in the Union. The Police Commission shall not unreasonably withhold the granting of a leave when requested properly with merit.
