PARTIAL SEASON FEE POLICY

There was a lengthy discussion about the policy for partial season fees. Refunds are issued if a slip is reassigned. This is usually the case at the beginning of the season. If someone sells their boat during the season, a refund is not issued. Iverson suggested prorating the fee for a new slip holder based on months remaining in the season. The season is approximately seven and a half months – April 1- November 15.

BUDGET

The workshop for the budget is scheduled for February 25. Adams is not available to attend. Higgins will attend with Markovics to respond to any questions from the Town Council.
