REVIEW AND MAKE RECOMMENDATIONS ON THE MORGAN BRIDGE REPAIR BID PROPOSALS

The meeting was called to order at 10:00 AM. There was no quorum present at the meeting. The town went out to bid for consulting services to address damage to the vehicle pedestrian bridge as a result of the flooding which occurred on September 28, 2018. The town received proposals from BL Companies and GM2. J Treichel gave a brief overview on both proposals. The committee scheduled another meeting on Friday, June 7, 2019 at 7:30 am. The meeting will be held at Public Works.

The meeting adjourned at 10:21 AM.

Respectfully Submitted,

Mary Schettino
