

Bicycle and Pedestrian Alliance of Clinton
Zoom Meeting Minutes
October 28, 2020

Members Present: Carrie Allen, Mark Koschwitz, Moe Bean and Paul Egan in attendance.

Minutes Approved Minutes were reviewed from September meeting. Mark moved to accept minutes Carrie seconded and minutes were approved.

Greenway Signage Carrie wrote Todd and Bob who didn't realize the bike route signs were not all up. They will review the town map for sign locations and get them up.

Complete Streets Paul will arrange to meet with Chief Vince Demaio to discuss some suggestions for signage and shoulder striping since Glenwood Road, a chief bike route thoroughfare is in need of repaving.

Greenway Update Carrie mentioned that Judy Miller, co-chair of the Madison Greenway indicated some development regarding the Clinton Nursery property along Route 1. Carrie visited the land use office to investigate. BPAC's desire is to make use of the old trolley line, which was mentioned in the town's Plan of Development and Conservation. Madison plans on extending the Greenway to the Salt Meadow and could help us with a bridge over the Hammonasset River.

Bike Giveaway/Swap Safety Day Event There is talk of an event on or about Saturday April 17 from 10 am until 2 pm for providing a bike for those who have outgrown or need a bike. It will be held at behind the Police Station. A safety check and bike tune up by Paul will be included if possible.

Motion to adjourn made and seconded. Next meeting will be in 2021 due to end of month scheduling and proximity to holidays.
