RE: C-20-000: "Indian River Landing", 11 Killingworth Turnpike, Greylock Property Group, LLC (Applicant and Contract Purchaser) Town of Clinton (Owner)

Your Application No. SE 20-002 & SUB 20-006, "Indian River Landing",
11 Killingworth Turnpike, Greylock Property Group, LLC (Applicant and Contract Purchaser) Town of Clinton (Owner)

Dear Chairman Rossi:

The Clinton Conservation Commission having been given an opportunity to review the proposed development entitled "Indian River Landing" to be located at 11 Killingworth turnpike, voted on February 12, 2002 to recommend the approval of the project as it is consistent with the Town Plan of Conservation and Development with the following recommendations:

1. To consider the deletion of and relocation of the three parking spaces as indicated on Schedule A so as to reduce impingement on wildlife habitat; and
2. To consider the relocation of the nearby light post as indicated on Schedule A to an area contiguous with the parking.

Should you have a question, do not hesitate to contact me.

Very truly yours,
For the Commission:
Catherine Zamecnik
